WORK EXPERIENCE

Climate Power | Remote

Director of Creative Production

March 2023 - Present

- Plan and oversee the pre-production, production, and post-production stages of all video.
- Manage and work with external production crew or freelancers in the field and in pre production.
- Produced a series that highlights community activists living on the front-lines of climate change on the ground in various U.S.-based locations.
- Engage in concept creation, ideation, script and copy writing.

Video Editor

July 2020 - March 2023

- Produced, filmed and edited interviews around an Earth Day Rally to call on congressional leaders and advocacy groups to take action on climate.
- Produced and edited an Instagram series, "Climate Feature Fridays," to highlight voices across the country.

Tom Steyer Presidential Campaign | San Francisco, CA

Video Editor/Assistant Videographer

August 2019 - March 2020

- Selected to be a regular contributor to the traveling video team to produce documentary-style videos across early states.
- Created rapid response, hype style videos, and recap videos contributing to a library of 1,800 videos that generated 1.33 billion views.
- Pitched, created, and produced new videos from internal archive footage.
- Executed video edits under tight deadlines to promote policy plan rollouts, town hall events, and debates.
- Produced, filmed, and edited mini-documentaries focusing on issues raised by supporters to communicate Tom's policy priorities.

OZY Media | Mountain View, CA

Associate Video Producer

June 2018 - July 2019

- Edited daily social videos, managed production process, and implemented daily social video strategy to expand Facebook reach to 1 million followers.
- Filmed and produced episode, "Pro-Life, Anti-Trump" for the Webby-nominated digital documentary series, *Unapologetic*.
- Conducted story research and assisted host for primetime PBS series, *Take on America*.

WXXI | Rochester, NY

News Intern

May 2017 - August 2017

- Established relationships with former Vietnam veterans, the Vietnamese community, and peace activists to photograph and document their stories to run as local promotion for the Ken Burns' PBS documentary, *The Vietnam War*.
